Aston Rowant Home School Agreement

We all agree to live by our core Christian values of
Gratitude Resilience Outreach Wonder Trust Harmony

Aston Rowant School will:

- As a Church school we will maintain a vision that is deeply Christian with the promise by Jesus of 'life in all its fullness' at our heart.
- Develop children to become confident and ambitious lifelong learners.
- Provide your child with a high standard of education, implemented by rigorous national guidelines, within a balanced and creative curriculum. Provide the scaffolding needed to enable your child to achieve their full potential through a stimulating and challenging environment.
- Celebrate your child's academic and personal achievements through a growth mind set philosophy.
- Care for your child's safety and well-being by observation and listening.
- Teach your child to develop a positive attitude to one another, regardless of gender, race, culture, belief, values, age and need through our nurturing and bespoke learning environment.
- Encourage your child to become an active member within our community and help them to see that they can have an impact on the world around them.
- Regularly meet with you to communicate the progress of your child, celebrating their strengths and explaining how we can support them in their areas for development.
- Provide information to you about our school, including relevant policies, meetings, workshops, activities, newsletters and open days.
- Be very happy to welcome you if you would like to contribute to our school's broader curriculum or Christian ethos.
- Set bespoke, differentiated and achievable homework to extend the curriculum and provide opportunities for independent learning.

As a Parent/Carer I will:

- Support the school's vision, mission statement and core Christian values to work in partnership ensuring the distinctly Christian ethos of our school.
- In order to help my child gain the most of their education, make sure my child arrives at school by 8:50 a.m. prepared to start their lessons and collect them on time. They will be wearing named school uniform and their PE kit is brought into school at the beginning of each week.
- Do my very best to provide a safe, secure and happy environment at home for my child, acknowledging that they learn at home too.
- Let the school know of any concerns or worries that may be affecting my child's learning, behaviour or ability to do homework, as this can then be resolved quickly.
- Support the school by encouraging my child to develop a positive attitude towards our diverse society.
- Attend school meetings with my child's teacher and other staff, aiming to be positive and productive, working towards moving my child on in their learning.
- Support and work with you to ensure that the behaviour management policies of the school are maintained, particularly with my child.
- Encourage a positive attitude towards my child's education. If I have any concerns, I will come and discuss them with you as it is much healthier to work out solutions and move on.
- Read all information sent home as this gives me important details of relevant policies, meetings, learning exhibitions, and open events.
- Support the school and your child's learning by attending learning exhibitions and information evenings.
- Support the school by making sure that homework tasks are completed and returned on time.
- Use my talents and experiences to enhance my child's learning at home. My child will benefit greatly from what I can show them, discuss with them and teach them.

Pupils will:

I understand that I have rights within our school, some of which are:
