

Spring Service – March 2024

The Spring Service 2024 celebrated growth, joy and shared responsibility, with a strong emphasis on pupils working together across the school. Contributions included springtime poems, daffodil artwork, songs and prayers, reflecting a wide range of creative expression.

Class performances and choir pieces brought energy and warmth to the service, with hymns such as *He's Got the Whole World in His Hands* and *Give Me Oil in My Lamp* encouraging reflection on care, service and perseverance. School Council pupils led shared prayers, reinforcing collective responsibility and pupil voice.

The service highlighted seasonal change while encouraging pupils to think about their role in supporting one another and living out school values in everyday actions.
