

## Welcome Service 2023

It was wonderful to gather together in church at the start of the academic year to welcome all our new starters, both in Hedgehog Class and across the school, into the Aston Rowant family. We were delighted to be joined by parents and friends, and it was lovely to see the church so full as we began our year together.

Owl Class led the service brilliantly and impressed everyone with their confident use of sign language. Fox Class amazed us with their French song, and Squirrel Class shared an inspiring class charter that reflected our shared values. Our Hedgehog children were settled, confident and a joy to watch as they took part so happily. Thank you to everyone who helped make this such a special and uplifting start to the year.
