

## Welcome Service – September 2025

Our Welcome Service 2025 marked the beginning of the new school year and provided a calm, inclusive opportunity for the whole school community to come together. The service focused on themes of belonging, gratitude and growth, helping pupils feel welcomed, valued and ready to begin the year ahead.

Pupils from across the school contributed through songs, class reflections and prayers. Each class shared a contribution, reinforcing the message that everyone has an important place within the school community. Familiar hymns and songs, including *Thank You Lord for This New Day* and *He's Got the Whole World in His Hands*, helped pupils reflect on new friendships, shared experiences and the reassurance of being part of a caring community.

The service drew together our school values, encouraging pupils to begin the year with grateful hearts, resilient minds and a willingness to support and care for one another. Led by pupils alongside staff, the service helped establish a positive, hopeful tone for the year ahead.
