

DT Pupil Voice May 2025

"DT is my favourite subject because we get to build things and see if they work!" – Y2

"I like DT because if something goes wrong, we don't give up, we fix it and make it better." – Y3

"We learn how real products are made and then we try it ourselves." – Y4

"When we do Young Enterprise, I feel proud because we make something people actually buy." – Y5

"DT helps me be creative and also think like an engineer." – Y6

"It's fun working in a team and seeing everyone's ideas come to life." – Y4

"I didn't know I was good at making things until DT!" – Y2

"I liked making food things, with fruit, and a sandwich" Year 1

Our pupils tell us that DT helps them feel creative, confident and proud of their achievements. They enjoy designing, making and improving products and value the chance to learn real-life skills through our Young Enterprise projects.
