

Parent & Carer Volunteer Form

👏 Your Support Matters – Let's Make It Happen!

Thank you for taking the time to support our school events. Our school thrives because of *you* — the incredible support of our parent community — **we truly can't do it without you.**

There's something for everyone — from behind-the-scenes prep to fun-filled event days.

Please add your name to the tasks where you're able to help or choose to donate if you're short on time. **Every bit of support counts**, and even the smallest contribution can make a big impact on our children's experience at school.

👉 **Important:** If your availability changes closer to the event and you're no longer able to help, we kindly ask that you either find someone to step in for you, or let a member of the PTA know as soon as possible. This helps us stay organised and ensures everything runs smoothly.

⚠️ **Please note:** If we don't have enough volunteers for an event, we may be forced to cancel it. We really don't want to let the children down — so the more hands on deck, the better and more fun these events will be for everyone.

💛 **Regular Donations:** If you're unable to volunteer your time, please consider supporting the PTA through a regular donation instead. Even a small ongoing contribution helps us continue funding activities, resources and events that make a real difference for all our children. The account details are below:
