

Pupil Voice – Safer Internet Day 2024

Theme: Inspiring Change - Making a Difference, Managing Influence & Navigating Change Online

Pupils explored how online spaces are constantly changing, how influencers shape behaviours, and how they can make positive, responsible choices online.

EYFS

“The story showed us how the internet can make you feel happy or sad.”

“We learned we can help people online by being kind.”

KS1

“We talked about how videos can make you copy things - but you don’t have to.”

“I can choose good things online.”

LKS2

“We learned that influencers don’t always show the truth.”

“The internet changes fast — so we have to think before we act.”

UKS2

“We talked about digital footprints and how our choices influence others.”

“We can make the internet kinder by speaking up.”

Summary – 2024

Children reflected deeply on online influence and learned that their actions can inspire positive change. Discussions centred on responsibility, kindness and navigating an evolving digital world with confidence.
