

Spring Service 2026

We were delighted to come together this morning in church for our Spring Service, and it was truly wonderful to gather as a whole school community. The church was full to capacity, creating a very special atmosphere of shared celebration and reflection.

Each class contributed something meaningful, and it was a joy to see the confidence, enthusiasm and variety in the children's performances:

- Hedgehog Class shared a joyful spring song with actions
- Squirrel and Fox Classes performed thoughtful and engaging springtime poems
- Owl Class delivered a poignant reflection on Easter, helping us consider its deeper meaning

The whole school joined together in song, singing *This Little Light of Mine, If I Were a Butterfly* and *Give Me Oil in My Lamp*, demonstrating both energy and unity.

We are incredibly proud of our Year 6 pupils, who led the service with maturity and thoughtfulness, guiding the school community through the morning with confidence.

A particular highlight was the contribution of our young musicians, with children from both Key Stage 1 and Key Stage 2 performing with growing skill and confidence. It was a pleasure to see them share their developing talents in such a supportive setting. Our school choir also performed beautifully, singing a springtime round and *Oh Happy Day* with real enthusiasm.

We are very grateful to Mrs Hodges for her excellent musical accompaniment and to Mrs Hall for leading the choir with such energy and encouragement.

Thank you to all the parents and carers who joined us – it was wonderful to see such strong support from our community. We are also very appreciative of those who helped walk the children safely to and from the church.

This service was a true reflection of our school vision of growing together, rooted in God, and enjoying fullness of life. It showcased not only the children's talents, but also their confidence, reflection and sense of belonging within our school community.
