

Choir Performance at Chinnor Festival of Trees 2024

On Sunday 1st December 2024, our school choir were delighted to once again sing at the Chinnor Festival of Trees at St Andrew's Church. This annual community event provided a wonderful opportunity for our pupils to share their music to a packed church.

Our fabulous school choir performed a selection of Christmas carols, songs and readings, and their performance was truly memorable. The children sang beautifully and represented the school with confidence, maturity and pride, making it a special afternoon for everyone who attended.

A Community Celebration

Performing as part of the Festival of Trees allows pupils to experience the joy of music beyond the classroom and contribute to a valued local tradition. The choir's participation supported pupils' personal development, helping them build confidence, perform to an audience and understand the importance of contributing positively to the wider community.

With Thanks

A heartfelt thank you goes to Mrs Atkins for her hard work in leading the choir and accompanying them so skilfully. We are also extremely grateful to the children for their commitment and enthusiasm, and to their families for giving up their time to attend and support the event, helping to make it such a special occasion.

We are incredibly proud of our choir and the way they shared festive joy through music at this lovely community celebration.
