

Owl Class Big Homework Challenge AW Term 1

Ancient Greece: Heroes, History and Mythology

This term, you are invited to complete a **Big Homework Project** linked to our Ancient Greece topic. Your project should be something you can be proud of and demonstrate creativity, effort, research and presentation skills. Project ideas must be discussed and agreed with the class teacher by **Monday 14th September**.

Completed projects should be handed to the class teacher during the final week of Term 1. You could choose one of the ideas below, or create your own: **We can't wait to see your amazing creations!** 🏛️🐂🧑🎨

1. Build a Greek Temple

Create a detailed model of a famous Greek temple such as the Parthenon. Include labelled features and a short explanation of its purpose and importance.

2. Design the Labyrinth

Construct a 3D model of King Minos' Labyrinth. Include pathways, the Minotaur's lair and information about the story of Theseus.

3. Mythology Podcast

Record an engaging podcast retelling a Greek myth. You could include interviews with characters, sound effects and your own commentary.

4. Create a Greek News Report

Film a television-style news report covering an event from Ancient Greece. Examples might include Theseus defeating the Minotaur, the Trojan War or the first Olympic Games.

5. Theseus Video Adventure

Produce a short film, animation or stop-motion video showing the journey of Theseus from Athens to Crete and his encounter with the Minotaur.

6. Greek Gods Museum

Create a collection of models, artwork or information cards about the Greek gods and goddesses. Present your work as a mini museum exhibition.

7. Ancient Greece Board Game

Design and make a playable board game based on a Greek myth, historical event or journey around Ancient Greece.

8. The Ultimate Mythology Comic

Write and illustrate a comic book based on a Greek myth. Use colour, detailed artwork and exciting dialogue.

Success Criteria

Your project should:

- Demonstrate careful research.
- Be presented to a high standard.
- Show creativity and originality.
- Include clear explanations and information.
- Reflect significant effort over several weeks.
- Be something you are proud to share with the class.

Remember: Discuss your chosen idea with Mr M by Monday 14th September and submit your completed project during the final week of Term 1.
