

Aston Rowant School Council

Action Plan 2021-22

What is our Intention?	Responsibility	Date	How will we Implement it?	What will the Impact be?
To proactively get the opinions of children at the school and to act upon them	All members of the school council	From Sept	Respond to suggestion boxes left in class rooms. Add to the ideas board regularly. Create School Council PowerPoints to be fed back by class representatives.	Decisions and actions taken in the school to reflect the will of the student body. Every student is aware of what the school council is doing.
To have monthly meetings which are minuted and shared with Headteacher, staff, pupils and parents. Representatives will have fortnightly meetings with the class to feedback views both ways,	Chair of School council Mrs. France Class Reps	Half Termly From Spring 20	Evidence of minutes. Staff minutes show discussion of School Council minutes. Minutes communicated to class by the class rep via student books Newsletters containing a student council section.	All members of the school community are aware of the work and activities of the School Council.
To ensure that the children in Aston Rowant Primary School have a strong voice	School Council	From Sept	The School Council will have prominence in the school. Regular pupil surveys are conducted Communication is relevant and up to date for staff, parents and pupils including through the newsletter Maintain and update School Council board	Pupil voice is prominent in the school. Pupils, staff and parents are aware of the work that School Council are doing Opinions are sought, listened to and acted upon Those outside of School Council know the work that the team is doing
Look at local and national charity events and produce a series of events the school can contribute towards and events to take part in.	School Council	From Sept	Regular charity events are supported Children have raised awareness for the causes each charity supports, and what issues there are on a global, national and local scale	Children have awareness of charities and why it is the school supports them.
Be role models of how we can 'Grow together to inspire each other to achieve our full potential as lifelong learners'	School Council	From Sept	To understand what this might look like in Aston Rowant To identify key actions to take in our day to day learning	All pupils in the school are part of a shared vision with the teachers and Governors and we play our part in making it happen
To continue to participate in Connecting Classrooms school link with South Africa	School Council and Owl Class	From Sept	Learn about the three key areas of the Zero to hunger project, Hunger, Inequality, Poverty. Build a relationship with Maqoma School and learn about different cultures from each other.	Children are educated on global and local issues, and feel impassioned to make changes and fix the world we live in.
To work with teachers and pupils in the Achievement for All programme	School Council, teachers and Classes	From Sept		Aspiration = "I can" – developing ways to build confidence and ambition Access = "I do" – to be independent and take responsibility for our own progress Attainment = "I have" –to consider all that they have learned, reflecting on the processes that will take them where they want to go
