

## English Enrichment Week 1<sup>st</sup> – 5<sup>th</sup> November 2021

What an amazing week we've had! The children have been immersing themselves in poetry this week. The highlight of our week was when James Carter and Kate Wakeling, two very well-respected poets, came into our school on Tuesday, as part of the 'Pop Up Festival'. James led two assemblies with both of the key stages and then ran fantastic workshops with Fox Class and then with Squirrel and Hedgehog classes. He really inspired the Hedgehog and Squirrel children to write and perform our own 'Crazy Creatures' poem. In Fox class, the children worked with James to write kennings. Owl Class were inspired by Kate who was also really amusing. All of the classes have gone on to write their own poems in a similar style. Please see our wonderful photos below. James Carter was so impressed with our school. Here is what he wrote afterward to Mrs Harriman:

*"A huge thank you to you all for all being so brilliantly responsive and creative today and for making me feel so very welcome! What a really lovely school you are! Please send me happy poems as and when – I look forward to reading them!"*

*Very best wishes – James"*
