

## Aston Rowant School Council

### Action Plan 2020-21

Action	Responsibility	Date	Success Criteria	Impact?
To proactively get the opinions of children at the school and to act upon them	All members of the school council	From Sept	Respond to suggestion boxes left in class rooms. Add to the ideas board regularly. Create School Council PowerPoints to be fed back by class representatives.	Decisions and actions taken in the school to reflect the will of the student body. Every student is aware of what the school council is doing.
To have half termly meetings which are minute and shared with Headteacher, staff, pupils and parents.	Chair of School council Mrs. France Class Reps	Half Termly  From Spring 20	Evidence of minutes. Staff minutes show discussion of School Council minutes. Minutes communicated to class by the class rep via student PowerPoint News Letters containing a student council section.	All members of the school community are aware of the work and activities of the School Council.
Maintain and update School Council board	School Council	From Sept	The School council will have prominence in the school. Communication is relevant and up to date for staff, parents and pupils.	Pupil voice is prominent in the school. Pupils, staff and parents have a reference place for information.
Look at local and national charity events and produce a series of events the school can contribute towards and events to take part in.	School Council	From Sept	Regular charity events are supported Children have raised awareness for the causes each charity supports, and what issues there are on a global, national and local scale	Children have awareness of charities and why it is the school supports them.
Be role models of how to keep to covid-19 guidelines safely and happily	School Council	From Sept	Demonstrated respect for the guidelines Come up with new ways to increase school moral and unity in Covid times.	School children feel safer and more confident in their return to school. Despite bubbles the school still feels as one.
To participate in Connecting Classrooms school link with South Africa	School Council and Owl Class	From Sept	Learn about the three key areas of the Zero to hunger project, Hunger, Inequality, Poverty. Build a relationship with Maqoma School and learn about different cultures from each other.	Children are educated on global and local issues, and feel impassioned to make changes and fix the world we live in.
