# Our Aims:

- To provide a rich learning curriculum that promotes our Christian values and provides spiritual, moral, social and cultural development for all children.
- To challenge and inspire our pupils to have high aspirations and become confident, curious, independent and resilient life-long learners.
- To provide pupils, as they grow in understanding, with opportunities to contribute to our school, local community and the wider world as responsible citizens.
- To provide a welcoming, safe and caring environment in which everyone is valued.

# Maths Lessons

- Mastery Curriculum - spending more time on topics, developing fluency, reasoning and problem-solving skills
- Friday - 3 minute challenge!
- Times Table Rockstars - login details are the same. Find these on the inside of each Homework book.

# Multiplication Check - Year 4 children

- Takes place in June.
- The purpose of the check is to determine whether your child can fluently recall their times tables up to 12, which is essential for future success in mathematics.
- It is an on-screen check consisting of 25 times table questions. Your child will be able to answer 3 practice questions before taking the actual check. They will then have 6 seconds to answer each question. On average, the check should take no longer than 5 minutes to complete.

# English Lessons

- Genres are taught through creatively responding to key fiction and non-fiction texts, often linking to the topic, allowing children to simultaneously develop reading and writing skills effectively.
- Spelling, Punctuation and Grammar (SPaG / GPS)
- Free Writing
- Handwriting sessions

# Spelling - Home Learning

- Spellings for the whole half term are on the website. These are based on the Year 3 and 4 statutory spellings and the rules will be explained in our spelling lessons.
- A spelling check will be on a Monday and children will bring home their results. Please support your child in learning them and encourage where possible to use them in sentences or spot them when they are reading their books.

# Homework

- I set homework every Monday which is then due in the following Monday.
- *Please ensure that each homework is covered in plastic backing to ensure it stays looking great.*
- Each I will set an English homework and a Maths homework. It should not take longer than 30 minutes. Any problems, then please talk to me.
- Any homework not completed will mean that your child completes them during Tuesday lunchtime.

# Reading - Home Learning

- Every child should have a reading book in their bag. Reading Records will come home this week.
- Each child should be heard daily at home for up to 15 minutes. Please talk about what has been read. This enables your child to really understand what they have read.  
**We want children to enjoy reading and sharing books with you!**
- They are responsible for changing their book when they have finished it. Please ensure their reading book and record comes to school every day. I check the reading records on Mondays.
- From our book list for Fox Class, children are encouraged to read as many as possible. Once read, there will be a range of activities to complete about their book. A certificate will be gained once they have read 5/10/25 books from the list.

# PE

- We have two PE sessions a week: Tuesday and Thursday
- Children require a full PE kit each week:-
  - School PE T-shirt
  - Black shorts
  - Trainers (white or dark)
  - Black jogging bottoms and school sweatshirt (especially for outdoor PE and during winter)
  - Extra socks
- Long hair has to be tied back and earrings removed.
- Please ensure all items of kit are named.
- **Skipping!** Each child has been issued with a numbered skipping rope and every Friday we have a 2-minute workout and children aim to beat their last week's target. Teachers are taking part too!

# Snacks, water bottles and boots!

- A healthy snack may be brought into school to be eaten during break time. Please ensure your child's snack box is labelled.
- A bottle of **water** may be kept in the classroom. Again, please ensure the water bottle is labelled.
- Stationery: please ensure your child has access to the following: a handwriting pen (not a biro), a pencil, pencil sharpener, ruler and rubber. Colouring pencils are optional. These should be named.
- Wellington boots (named) should be in school especially for Forest Friday.

# Trips!

- In October, Year 4 will be heading to the Tower!
- Years 4,5 & 6 have a day out in London.
  
- In December, we will have a Zoom session with the British Museum linking with our learning of Prehistory and the Stone Age.
  
- I am currently planning a trip for the whole class next year.
